CONCLAVE

THE BRAND

Apex Conclave is the umbrella organization for multiple events, communities and experiences.

The website is the parent platform. Individual events may have their own identities while remaining connected to Apex Conclave.

DESIGN DIRECTION

Minimal · youthful · intelligent · sophisticated · typography-led · dark-first

The brand

WHAT APEX CONCLAVE IS

Apex Conclave is an umbrella organization for multiple events.

It provides one recognizable parent identity for conferences, MUNs, youth initiatives, leadership programs and future event formats.

THE WEBSITE SHOULD

Feel like a platform, not one event.
Feel like a real organization, not a college-fest template.
Allow every event to retain its own personality.

BRAND CHARACTER

MINIMAL	Few elements. Strong hierarchy. Generous whitespace.
YOUTHFUL	Contemporary and digital without becoming childish.
INTELLIGENT	Editorial structure and precise communication.
PREMIUM	Polished without luxury clichés.
FLEXIBLE	Built to hold many future event identities.

Identity

USE THE SUPPLIED LOGO — DO NOT REDRAW IT

PRIMARY RULE

The approved logo is typography-only.
Use the supplied artwork as the master reference.
Do not substitute another typeface.
Do not add icons, mountains, globes, crowns, 3D effects or cinematic glow.

CLEAR SPACE

Keep generous empty space around the wordmark.

LOGO APPLICATIONS

DARK	Use approved light wordmark on dark background.
LIGHT	Use approved dark wordmark on light background.
SMALL	Do not squeeze or alter proportions.
EVENT	Keep Apex Conclave secondary when an event has its own identity.

IMPLEMENTATION RULES

BUILD	MOTION	NEVER
Component-based.	150–350 ms transitions.	Redraw the approved logo.
Event content should be data-driven.	Opacity / subtle translateY / small scale.	Fill empty space with decoration.
Responsive by design.	No logo reveals.	Mix multiple font families.
Accessible contrast and focus states.	No spinning marks.	Make every event identical.
Optimize imagery and loading.	No heavy parallax.	Trade readability for effects.

CSS TOKENS

--bg	#080909	--surface	#141718	--text	#F4F2ED
--muted	#A5A6A2	--accent	#C7A16A	--teal	#21474D
--radius	8–12px	--container	1200–1280px	--space	8px base

FINAL DIRECTION

The website should feel like a serious modern organization built for young people. Let typography, layout, photography and spacing create the personality.
